

Images of our 2021 September Visit at Bear Spring Camps, Belgrade Lakes, Maine

September arrived and we motored over to the Bear Spring Camps in Belgrade, Maine, after stopping at L. L. Beans in Freeport, of course. This annual holiday brought excellent kayaking on calm waters with several interesting wind/rain/lightning activities to keep Maine honest. The C19 pandemic had eased and we thoroughly enjoyed the fresh fruit at breakfast and the delicious variety of evening entrees. This album includes various photos of us kayaking focusing on the Great Meadow Stream, enjoying the [sounds](#) of the falling rain, and doing this and that while absorbing the wildlife and tranquility.

The Belgrade photo opportunities were often and excellent as usual and we are looking forward to returning to Bear next year.
